ANTI-TRUST STATEMENT

Because of federal and Maryland anti-trust laws, certain topics are not proper subjects for discussion at any MDAFP function. In many cases, our members are competitors and any action or agreement, which may eliminate, restrict or govern competition among members or their colleagues, could be a violation of anti-trust laws. Those violating the anti-trust laws are subject to severe criminal and civil penalties.

This means that we must not discuss any items falling within the realm of competitive practices, such as current or future prices or charges; discounts for cash payments; terms of service; productivity rates; profit levels; credit terms; or refusal to deal with a particular third-party payor or vendor.

Please adhere strictly to these guidelines during all MDAFP functions to protect yourself and MDAFP from liability.
